INTRODUCTION

The accompanying proxy, mailed together with this proxy statement, is solicited by and on behalf of the board of directors of Eagle Materials Inc., which we refer to in this proxy statement as the “Company,” for use at the annual meeting of stockholders of the Company and at any adjournment or postponement thereof. References in this proxy statement to “we,” “us,” “our” or like terms also refer to the Company. This proxy statement and accompanying proxy were first mailed to our stockholders on or about June 28, 2004.

Date, Time and Place of the Annual Meeting

The 2004 annual meeting of our stockholders will be held in the Red Oak Room of the Sheraton Suites Market Center, located at 2101 Stemmons Freeway, Dallas, Texas 75219 at 10:00 a.m., local time, on Tuesday, July 27, 2004.

Purposes of the Annual Meeting and Recommendations of our Board of Directors

At the meeting, action will be taken upon the following matters:

(1) *Election of Directors.* We are asking our stockholders to elect four directors at the annual meeting as follows:

- holders of the Company’s common stock, par value \$.01 per share (our “Class A Common Stock”), will be asked to elect one Class I director, to hold office for a term of three years;
- holders of Class B common stock, par value \$.01 per share (our “Class B Common Stock”), will be asked to elect two Class I directors, each to hold office for a term of three years;
- holders of Class B Common Stock will be asked to elect one Class III director, who shall hold office for two years.

Our board of directors recommends that you vote “for” the election of the four nominees for director named in this proxy statement.

(2) *Ratification of the Appointment of Ernst & Young LLP.* We are asking you to ratify the appointment by our board of directors of Ernst & Young LLP as the Company’s independent auditors for the fiscal year ended March 31, 2005.

Our board of directors recommends that you vote “for” the ratification of Ernst & Young LLP as the Company’s independent auditors for the fiscal year ended March 31, 2005.

(3) *Other Business.* In addition, you may be asked to conduct such other business, if any, as may properly come before the annual meeting, or any adjournment thereof.

Our board of directors does not know of any matters that may be acted upon at the meeting other than the matters set forth in items (1) and (2) above.

ABOUT THE MEETING

Who Can Vote

The record date for the determination of holders of the Company's Class A Common Stock and Class B Common Stock (collectively, "Common Stock") entitled to notice of and to vote at the meeting, or any adjournment or postponement of the meeting, is the close of business on June 3, 2004. In this proxy statement, we refer to this date as the "record date." As of the record date, there were (i) 9,627,598 shares of the Company's Class A Common Stock issued and outstanding and entitled to vote at the meeting, and (ii) 8,905,769 shares of the Company's Class B Common Stock issued and outstanding and entitled to vote at the meeting.

The holders of record of our Common Stock as of the record date will be entitled to one vote per share on each matter upon which they are being asked to vote at the meeting, or any adjournment thereof. In the case of the election of directors, holders of Class A Common Stock will be entitled to vote for the election of one Class I director (the "Class A Director") and holders of Class B Common Stock will be entitled to vote for the election of two Class I directors and one Class III director (the "Class B Directors"). In the case of all other matters being submitted to a vote of our stockholders at the annual meeting, including the ratification of the appointment of Ernst & Young LLP as the Company's independent auditors for the fiscal year ended March 31, 2005, holders of our Common Stock will vote together as a single class, except as required by law. There is no cumulative voting. Our stock transfer books will remain open.

How Proxies Will be Voted

Shares represented by valid proxies will be voted at the meeting in accordance with the directions given. If the enclosed proxy card is signed and returned without any direction given, the shares will be voted "**for**" election of the nominee(s) for director named in the proxy and the ratification of the appointment of Ernst & Young LLP as the Company's independent auditors. The board of directors does not intend to present, and has no information indicating that others will present, any business at the annual meeting other than as set forth in the attached Notice of Annual Meeting of Stockholders. However, if other matters requiring the vote of the Company's stockholders come before the meeting, it is the intention of the persons named in the accompanying form of proxy to vote the proxies held by them in accordance with their best judgment in such matters.

How to Revoke Your Proxy

You have the unconditional right to revoke your proxy at any time prior to the voting thereof by submitting a later-dated proxy, by attending the meeting and voting in person or by written notice to us addressed to: Eagle Materials Inc., Attention: James H. Graass, Secretary, 3811 Turtle Creek Blvd., Suite 1100, Dallas, Texas 75219. No such revocation shall be effective, however, unless and until received by the Company at or prior to the meeting.

Quorum and Required Vote

The presence at the meeting, in person or represented by proxy, of the holders of a majority of the voting power of the shares of capital stock of the Company entitled to vote on any matter shall constitute a quorum for purposes of such matter. Abstentions and broker non-votes will be counted as present for the purpose of establishing a quorum; however, under Delaware law, abstentions and broker non-votes will not be counted as votes cast. The Class A Director will be elected by a plurality of shares of Class A Common Stock present, in person or by proxy, and voted at the annual meeting. Each Class B Director will each be elected by a plurality of the shares of Class B Common Stock present, in person or by proxy, and voted at the meeting. The affirmative vote of a majority of our outstanding Common Stock is required to ratify the board of directors' appointment of Ernst & Young LLP as our independent auditors for the fiscal year ended March 31, 2005.

Expenses of Soliciting Proxies

The cost of soliciting proxies for the meeting will be borne by the Company. Solicitations may be made on behalf of our board of directors by mail, personal interview, telephone or other electronic means by officers and other employees of the Company, who will receive no additional compensation therefore. To aid in the solicitation of proxies, we have retained the firm of Georgeson Shareholder Communications, Inc., which will receive a fee of approximately \$8,500, in addition to the reimbursement of out-of-pocket expenses. We will request banks, brokers, custodians, nominees, fiduciaries and other record holders to forward copies of this proxy statement to persons on whose behalf they hold shares of Common Stock and to request authority for the exercise of proxies by the record holders on behalf of those persons. In compliance

[Table of Contents](#)

with the regulations of the Securities and Exchange Commission, or SEC, and the New York Stock Exchange, or NYSE, we will reimburse such persons for reasonable expenses incurred by them in forwarding proxy materials to the beneficial owners of our Common Stock.

How You Can Vote

You can vote your shares at the meeting or by telephone, over the internet or by completing, signing, dating and returning your proxy in the enclosed envelope.

OUR CAPITAL STOCK

Our outstanding capital stock consists of Class A Common Stock and Class B Common Stock. The holders of Class B Common Stock are entitled to elect the Class B Directors, who represent at least 85% of our board of directors. The holders of our Class A Common Stock are entitled to elect the Class A Director or Directors, who represent the remainder of our board of directors. The minimum number of members of our board of directors is set at seven so that the holders of our Class A Common Stock will always be entitled to elect at least one director. As to all matters other than as to the election of directors, the rights of the holders of Class A Common Stock and Class B Common Stock are substantially the same.

Our two classes of Common Stock were created in connection with the spin-off (the "Spin-off") of the Company from its former parent corporation, Centex Corporation ("Centex"), which was completed on January 30, 2004. Prior to the Spin-off, we had only one class of common stock and Centex owned approximately 65% of the outstanding shares of such class. Given the nature of Centex's ownership interest in the Company, in order for the Spin-off to be tax-free to Centex and its stockholders, Centex determined that it must own, at the time of the Spin-off, capital stock of the Company having the right to elect at least 85% of the members of our board of directors. In order to enable Centex to meet this requirement, we agreed to reclassify our capital stock immediately prior to the Spin-off so that it consisted of Class A Common Stock and Class B Common Stock. Our stockholders approved this reclassification. Centex then distributed all of the shares of Common Stock owned by it to its stockholders in a single transaction. For additional information regarding the Spin-off and related transactions, we refer you to the proxy statement that we filed with the SEC in connection with the special meeting of our stockholders held to approve the reclassification of our capital stock and certain other matters.

Our Class A Common Stock is listed on the New York Stock Exchange under the symbol "EXP" and our Class B Common Stock is listed on the New York Stock Exchange under the symbol "EXP.B."

ELECTION OF DIRECTORS AND RELATED MATTERS

General

Our board is the ultimate decision-making body of the Company except with respect to those matters reserved to our stockholders. The primary responsibilities of our board include:

- the selection, compensation and evaluation of our Chief Executive Officer and oversight over succession planning;
- oversight of our strategic planning;
- approval of all our material transactions and financings;
- providing assurance that processes are in place to promote compliance with law and high standards of business ethics;
- advising management on major issues that may arise; and
- evaluating the performance of the board and its committees, and making appropriate changes where necessary.

Members of our board of directors are divided into three classes based on their term of office (Class I, II and III). The directors in each such class generally hold office for staggered terms of three years each. At present, we have three Class I directors, two Class II directors and two Class III directors. Our board of directors has also voted to increase its size to eight members as of the date of the annual meeting. In connection with the decision to expand the size of our board, and in order to ensure that these three classes consist, as nearly as possible, of an equal number of directors, our board has nominated F. William Barnett for election at the annual meeting as a Class III director, to serve a term of two years. Mr. Barnett is currently classified as a Class I director. Our board has also nominated current Class I directors Messrs. Robert

Table of Contents

L. Clarke and Steven R. Rowley, as well as Mr. Frank W. Maresh for election as Class I directors at the annual meeting, each to serve a term of three years. If all the nominees are elected, our board will then consist of three Class I directors, two Class II directors and three Class III directors.

As described above, our board of directors is also divided into Class A Directors and Class B Directors. Class A Directors are elected by the holders of Class A Common Stock and Class B Directors are elected by the holders of Class B Common Stock. After the annual meeting, we will have a total of one Class A Director and seven Class B Directors.

The following table shows our current directors, and indicates the classes of which each director is a member:

	<u>Class A Director</u>	<u>Class B Directors</u>
Class I: Term expires at the 2004 annual meeting and every three years thereafter	Robert L. Clarke	Steven R. Rowley F. William Barnett ⁽¹⁾
Class II: Term expires at the 2005 annual meeting and every three years thereafter	—	Laurence E. Hirsch Michael R. Nicolais
Class III: Term expires at the 2006 annual meeting and every three years thereafter	—	David W. Quinn O. G. Dagnan

(1) If re-elected at the annual meeting, Mr. Barnett will be classified as a Class III director.

The following table shows the composition of our board after the annual meeting, assuming the election of the proposed slate of director nominees:

	<u>Class A Director</u>	<u>Class B Directors</u>
Class II: Term expires at the 2005 annual meeting and every three years thereafter	—	Laurence E. Hirsch Michael R. Nicolais
Class III: Term expires at the 2006 annual meeting and every three years thereafter	—	F. William Barnett David W. Quinn O. G. Dagnan
Class I: Term expires at the 2007 annual meeting and every three years thereafter	Robert L. Clarke	Frank W. Maresh Steven R. Rowley

When they become applicable to the Company, the new NYSE corporate governance rules will require that our board of directors be comprised of a majority of independent directors. Because Centex formerly held approximately 65% of our common stock, we qualified as a “controlled company” within the meaning of these listing requirements and are not currently required to comply with the majority-independent board requirement at this time. We will be required to comply with this requirement within one year of the date Centex ceased to control us, or by January 30, 2005.

Table of Contents

Although the majority-independent board requirement of the NYSE is not yet applicable to the Company, our board of directors has determined, upon the recommendation of the corporate governance and nominating committee, which we sometimes refer to as the “nominating committee,” that all members of or nominees for election to our board of directors, other than Messrs. Hirsch, Rowley and Quinn, are “independent” within the meaning of the independence requirements of the Securities Exchange Act of 1934 and the corporate governance rules of the NYSE.

In determining that four of our directors and the additional nominee, Frank W. Maresh, are “independent,” our board of directors considered the following facts:

- Messrs. F. William Barnett, Robert L. Clarke and Frank W. Maresh have no relationship with the Company or its management that potentially affects their independence.
- Mr. O.G. Dagnan is a former Chief Executive Officer of the Company who retired as an officer and employee of the Company in July 1999, and has had no relationship with the Company since that time (other than his relationship as a director). Mr. Dagnan was granted certain stock options by the Company during the time he served as an executive officer, the last of which were exercised in 2002. Because of the length of time since his retirement from the Company, and in light of the absence of any compensatory or other arrangements between the Company and Mr. Dagnan since the date of his retirement, our board of directors has determined that Mr. Dagnan has no material relationship with the Company.
- Mr. Michael R. Nicolais is a member of our board of directors who recently entered into an employment relationship with a company owned by another member of our board of directors. In particular, in April 2004, Mr. Nicolais accepted employment as president of Highlander Partners L.P. (“Highlander”), a newly formed private investment partnership of which Mr. Laurence E. Hirsch, a director of the Company, is the sole equity owner. In view of, among other things, (i) the fact that Mr. Nicolais has never served as an officer or employee of the Company or any of its parents or subsidiaries, (ii) the fact that the employment relationship between Mr. Nicolais and Highlander commenced after the completion of the Spin-off and after the date Mr. Hirsch retired as an executive officer and director of Centex, (iii) the fact that the investment services to be provided by Mr. Nicolais to Highlander are largely unrelated to the Company (except to the extent that such services may in the future involve investment services relating to shares of our Common Stock held by Mr. Hirsch) and (iv) the board’s belief that Mr. Nicolais is able to act independently from the Company and its management in connection with matters submitted to and considered by our board of directors of the Company, our board determined in its business judgment that Mr. Nicolais has no material relationship with the Company.

Nominees

Each of the nominees listed below, other than Mr. Maresh, is currently a member of our board of directors. Mr. Maresh has been nominated in connection with the increase in the size of our board. Each of these nominees has been nominated by our nominating and corporate governance committee after considering the criteria described below under “Corporate Governance and Nominating Committee.” We have no reason to believe that any of the listed nominees will become unavailable for election, but if for any reason that should be the case, proxies may be voted for substitute nominees. A plurality of votes cast by the holders of our Class A Common Stock will be required to elect the nominee for Class A Director and a plurality of votes cast by the holders of our Class B Common Stock will be required to elect the nominees for Class B Director.

Our board of directors recommends that holders of Class A Common Stock vote “for” the election of the nominee listed below as a Class A Director to serve in Class I for a three-year term ending at our 2007 annual meeting of stockholders:

Robert L. Clarke

Our board of Directors recommends that holders of Class B Common Stock vote “for” the election of the nominees listed below as Class B Directors to serve in Class I for a three-year term ending at our 2007 annual meeting of stockholders:

Our board of Directors recommends that holders of Class B Common Stock vote “for” the election of the nominee listed below as a Class B Director to serve in Class III for a two-year term ending at our 2006 annual meeting of stockholders:

Audit Committee

Our board has a separately-designated standing audit committee, composed of three independent directors. The audit committee assists the board in fulfilling its responsibility to oversee the integrity of our financial statements, our compliance with legal and regulatory requirements, the qualifications and independence of our independent auditors and the performance of our internal audit function and independent auditors. A copy of the audit committee's amended and restated charter adopted in May 2004 is included as Appendix A to this proxy statement.

Our board has determined that each member of the committee is independent within the meaning of applicable (i) corporate governance rules of the NYSE and (ii) the requirements set forth in the Securities Exchange Act of 1934 and the applicable SEC rules. In addition, our board has determined that each member of the committee satisfies applicable NYSE standards for financial literacy and that, based on his financial experience including seven years as Comptroller of the Currency of the United States, Robert L. Clarke is an "audit committee financial expert" within the meaning of the rules of the SEC. Our corporate governance and nominating committee has recommended that Mr. Maresh be nominated to join our audit committee if elected at the annual meeting. The board has made a preliminary determination that Mr. Maresh also qualifies as an "audit committee financial expert" within the meaning of the rules of the SEC and intends to appoint him to the audit committee if he is elected at the annual meeting.

During the last fiscal year, the audit committee held five meetings, each of which was attended by all of its members. Unless otherwise determined by the board, no member of the committee may serve as a member of the audit committee of more than two other public companies.

The following are key functions and responsibilities of our audit committee:

- to select, appoint, compensate, evaluate, retain and oversee the independent auditors engaged for purposes of preparing or issuing an audit report or related work or performing other audit, review, or attest services for us;
- to obtain and review, on a periodic basis, a formal written statement from our independent auditors describing all relationships between our auditors and the Company and engage in a dialogue with our auditors with respect to any disclosed relationships or services that may impact the objectivity and independence of the auditors and to recommend appropriate action in response to the reports to our board;
- to pre-approve all audit engagement fees and terms and all non-audit services provided to us by our independent auditors, in accordance with the committee's policies and procedures for pre-approving audit and non-audit services;
- to establish procedures for (i) the receipt, retention and treatment of complaints received by the Company regarding accounting, internal accounting controls or auditing matters and (ii) the confidential, anonymous submission by employees of the Company of concerns regarding questionable accounting or auditing matters;
- to discuss our annual audited financial statements, quarterly financial statements and other significant financial disclosures with management and our independent auditors;
- to discuss with management the types of information to be disclosed and the types of presentations to be made in our earnings press releases, as well as the financial information and earnings guidance we provide to analysts and rating agencies;

Table of Contents

- to annually review and assess its performance and the adequacy of its charter;
- to discuss policies with respect to risk assessment and risk management; and
- to prepare the report that is required to be included in our annual proxy statement regarding review of financial statements and auditor independence.

The audit committee's report on our financial statements for the fiscal year ended March 31, 2004 is presented below under the heading "Audit Committee Report."

The audit committee meets separately with our independent auditors and with members of our internal audit staff outside the presence of the Company's management or other employees to discuss matters of concern, to receive recommendations or suggestions for change and to exchange relevant views and information.

Compensation Committee

Our board's compensation committee is composed of independent directors who meet the corporate governance standards of the NYSE, qualify as "non-employee directors" within the meaning of Rule 16b-3(b)(3) of the Securities Exchange Act of 1934 and as "outside directors" within the meaning of the Internal Revenue Code of 1986, as amended. Pursuant to its charter, which you may review on our web site at <http://www.eaglematerials.com>, the primary purposes of the committee are to assist the board in discharging its responsibilities relating to compensation of the Company's Chief Executive Officer and other senior executives and direct the production of all reports regarding executive compensation that the rules of the SEC require to be included in our annual proxy statement.

The following are key functions and responsibilities of the compensation committee:

- to periodically review and make recommendations to our board as to our general compensation philosophy and structure, including reviewing the compensation programs for senior executives and all benefit plans sponsored by the Company to determine whether they are properly coordinated and achieving their intended purposes;
- to annually review and approve corporate goals and objectives relevant to the compensation of our Chief Executive Officer, evaluate his or her performance as measured against such goals and objectives and to set the salary and other cash and equity compensation for our the Chief Executive Officer based on such evaluation;
- to review, after the end of the fiscal year and in consultation with our Chief Executive Officer, and make recommendations to our board with respect to compensation of our senior executives;
- to administer the Company's compensation plans for which it is named as plan administrator, including the Company's Incentive Plan;
- to report on compensation policies and practices with respect to the Company's executive officers as required by SEC rules; and
- to review and assess the performance of the committee and the adequacy of its charter annually and recommend any proposed changes to the board.

The compensation committee's report for the fiscal year ended March 31, 2004 is presented below under the heading "Report of Compensation Committee on Executive Compensation."

Under its new Amended and Restated Charter adopted in May 2004, the compensation committee meets as often as it deems appropriate, but no less than twice per year. During the fiscal year ended March 31, 2004, the compensation committee held two meetings, which were attended by all its members.

Corporate Governance and Nominating Committee

The primary purposes of this committee are to advise and counsel our board and management regarding our governance including our board's selection of directors; to develop and recommend to the board a set of corporate governance principles for the Company; and to oversee the evaluation of our board and management. Our corporate governance and nominating committee has adopted a written charter, which you may review on our web site at <http://www.eaglematerials.com>.

The following are certain key functions and responsibilities of our nominating committee:

- to develop, periodically review and recommend a set of corporate governance principles for the Company to the board;
- to periodically review corporate governance matters generally and recommend action to the board where appropriate;
- to review and assess the adequacy of its charter annually and recommend any proposed changes to our board for approval;
- to monitor the quality and sufficiency of information furnished by management to our board;
- to actively seek, recruit, screen, and interview individuals qualified to become members of the board, and consider management's recommendations for director candidates;
- to evaluate the qualifications and performance of incumbent directors and determine whether to recommend them for re-election to the board;
- to establish and periodically re-evaluate criteria for board membership;
- to recommend to the board the director nominees for each annual stockholders' meeting; and
- to recommend to the board nominees for each committee of the board.

The committee initiates and oversees an annual evaluation of the effectiveness of the board and each committee, as well as the composition, organization (including committee structure, membership and leadership) and practices of the board. Among the criteria the nominating committee uses in evaluating the suitability of individual nominees for director (whether such nominations are made by management, a stockholder or otherwise) are their integrity, experience, achievements, judgment, intelligence, personal character, ability to make independent analytical inquiries, willingness to devote adequate time to board duties and the likelihood that he or she will be able to serve on the board for a sustained period. In connection with the selection of nominees for director, due consideration will be given to our board's overall balance of perspectives, backgrounds and experiences. During the fiscal year ended March 31, 2004, the committee paid no fees to third-parties to assist in identifying or evaluating potential nominees.

Members of the nominating committee, other members of the board or executive officers may, from time to time, identify potential candidates for nomination to our board. All proposed nominees, including candidates recommended for nomination by stockholders in accordance with the procedures described below, will be evaluated in light of the criteria described above and the projected needs of the board at the time. As set forth in the committee's charter, the committee may retain a search firm to assist in identifying potential candidates for nomination to the board of directors.

The committee will consider candidates recommended by stockholders for election to our board. A stockholder who wishes to recommend a candidate for evaluation by the committee should forward the candidate's name, business or residence address, principal occupation or employment and a description of the candidate's qualifications to the Chairman of the nominating committee, Attention: Secretary, Eagle Materials Inc., 3811 Turtle Creek Boulevard, Suite 1100, Dallas, Texas 75219.

Our Bylaws provide that, to be considered at the 2005 annual meeting, stockholder nominations for the board of directors must be submitted in writing and received by our Secretary at the executive offices of the Company during the period beginning on February 5, 2005 and ending May 6, 2005, and must contain the information specified by and otherwise comply with the terms of the Company's bylaws. Any stockholder wishing to receive a copy of the Company's bylaws should direct a written request to our Secretary at the Company's principal executive offices.

In addition to the nominees who are directors standing for re-election, the nominating committee approved Frank W. Maresh as a nominee for director. Mr. Maresh was first identified as a potential nominee to our board by a non-management director. After a careful review of his qualifications, the nominating committee recommended that Mr. Maresh be nominated for election at the Annual Meeting of Stockholders to be held on July 27, 2004.

[Table of Contents](#)

No nominees for election to the board of directors at our 2004 Annual Meeting of Shareholders were submitted by shareholders or groups of shareholders owning more than 5% of our common stock.

During the fiscal year ended March 31, 2004, the nominating committee held one meeting in conjunction with a meeting of the entire board of directors, which was attended by all committee members.

Report of Compensation Committee on Executive Compensation

The Compensation Committee of the Board (the “Committee”) reviews and approves the salaries and bonuses of our executive officers. The Committee also administers our Incentive Plan and is authorized under that plan to grant options to our independent directors, officers and other key employees and those of our subsidiaries. The Committee is comprised of three independent directors. This report describes the policies and principles that shape the structure of our executive compensation program.

Our executive compensation program is structured to achieve the following objectives:

- to attract, retain and motivate highly qualified, energetic and talented executives;
- to create an incentive to increase stockholder returns by establishing a direct and substantial link between individual compensation and certain financial measures that have a direct effect on stockholder values; and
- to create substantial long-term compensation opportunities for individual executive officers based not only on long-term corporate performance but also on sustained long-term individual performance.

To achieve its compensation objectives, for fiscal 2004 the executive compensation program uses a combination of short-term and long-term elements: (i) annual salary, (ii) annual bonus and (iii) long-term incentive compensation in the form of stock options. In addition, our executive officers are eligible to receive other benefits, such as medical benefits and profit sharing plan contributions, that are generally available to our employees and contributions under our SERP that are accrued for the named executive officers and certain other officers of the Company and its subsidiaries.

In structuring the specific components of executive compensation, the Committee is guided by the following principles:

- annual compensation should be set within reasonable ranges of the annual compensation for similar positions with similarly-sized and types of companies that engage in one or more of the businesses in which the we engage;

Table of Contents

- bonus payments should vary with the individual's performance and the our financial performance; and
- a significant portion of compensation should be in the form of long-term incentive compensation that aligns the interests of executives with those of the stockholders and creates rewards for long-term sustained corporate performance and the achievement of our strategic objectives.

Base Salary

The Committee is responsible for reviewing and approving the base salary levels for the named executive officers. This conclusion is based on a comparative compensation study of companies that engage in one or more of our principal businesses: manufacture and sale of cement, gypsum wallboard, recycled paperboard and readymix concrete and aggregates. The companies reviewed in this study included all of the companies included in the peer group reflected on the performance graph below.

Annual Incentive Bonus

The Committee is also responsible for reviewing and approving for the annual incentive bonuses awarded to the named executive officers at the end of each fiscal year. The annual incentive bonus program for the executive officers has been structured to create financial incentives and rewards that are directly related to corporate performance during the fiscal year. Under our annual incentive bonus program, a percentage of potential earnings in each fiscal year is designated as a pool for bonuses with each participating employee being assigned a percentage of such pool. At the end of the fiscal year, the pool is divided, and bonuses are paid among the employees participating in the program in accordance with such percentages, subject to reduction based on the employees' individual performance. The amount of the bonus paid to an employee is based on our earnings, the percentage of the pool designated for such employee and an assessment of such employee's performance.

Long-term Compensation

To increase the proportion of management compensation that is tied to our performance, our stock option programs have been structured to link the vesting of option grants to the achievement by the Company of certain specific performance targets during the ten years following the dates on which such options are granted. Under the terms of substantially all of the options granted since fiscal year 1998, the number of shares that vest or which become exercisable by the optionee depends upon our achievement of specific financial goals. These financial goals are tied to our operating earnings and return on average net assets and are structured to reward the optionee for superior long-term operating performance of the Company. Failure to meet the specified goals results in those shares not vesting until the end of the ten-year term. The Committee believes that these programs properly align the interests of our directors, officers and managers with the interests of our stockholders by linking a majority of their long-term compensation with goals that have a direct and positive effect on stockholder value. Except for certain options granted in fiscal 1995 in connection with our initial public offering and certain options granted to certain employees at the time of hire, almost all of the options granted by the Company to its directors, officers and key employees have been granted under performance programs.

In fiscal year 1995, the board approved the SERP for certain employees participating in the profit sharing plan. Pursuant to the Internal Revenue Code, the Internal Revenue Service sets a limit (currently \$200,000) on the amount of annual compensation that may be considered in determining, for the account of an eligible participant, our contribution to the profit sharing plan. The SERP was established to eliminate the adverse treatment that higher-salaried employees receive under such rule by funding balances for each participant in an amount equal to the additional contribution that he or she would have received under the profit sharing plan had 100% of his or her annual salary been eligible for a profit sharing contribution. Contributions accrued under the SERP for the benefit of the named executive officers vest under the same terms and conditions as the profit sharing plan. Bonuses paid to participants are not included in making calculations for contributions made or accrued to recipients' accounts under either the profit sharing plan or the SERP.

CEO Compensation

Our Chief Executive Officer participates in the same compensation programs as the other executive officers, and each component of his compensation is approved by the Committee according to the same criteria. The base salary and annual incentive bonus of the Chief Executive Officer for fiscal year 2004 were consistent with the Committee's compensation range guidelines and objectives for all officers. The annual incentive bonus for the Chief Executive Officer was determined in accordance with the existing annual bonus program. As described above the annual incentive bonus

[Table of Contents](#)

program establishes a bonus pool based on a percentage of our earnings. The Chief Executive Officer's annual incentive bonus is based upon a predetermined percentage of this bonus pool.

Performance Graph

The following graph compares the yearly change in the cumulative total stockholder return on the Company's Class A Common Stock during the five fiscal years ended March 31, 2004 with the S&P 500 Index and a peer group of companies comprised of Caraustar Industries, Inc., Lafarge Company and USG Company. Caraustar Industries, Inc.'s principal manufacturing activity is the production of uncoated and clay-coated recycled paperboard. Lafarge is engaged primarily in the production and distribution of construction materials, including cement, ready-mix concrete, gypsum wallboard, aggregates, cementitious materials and concrete products. USG Company is engaged in the production and distribution of building materials, primarily gypsum wallboard and related products. These companies are included in the peer group because they each engage in one or more activities that are comparable to one or more of the Company's business segments. The comparison assumes (i) \$100 was invested on March 31, 1999 in each of the Company's Class A Common Stock, the S&P 500 Index and evenly in the respective equity securities of the peer group that resemble our Class A Common Stock and (ii) the reinvestment of dividends. The returns of the companies comprising the peer groups are weighted by their respective market capitalizations at the beginning of each period.

According to the Barakett 13G, Mr. Barakett has sole power to vote or direct the vote of 477,600 shares of Class B Common Stock and sole dispositive power over all of 477,600 shares.

Section 16(a) Beneficial Ownership Reporting Compliance

Section 16(a) of the Securities Exchange Act of 1934, as amended, requires the Company's directors and executive officers, and persons who beneficially own more than 10% of a registered class of the Company's equity securities, to file initial reports of ownership, reports of changes in ownership and annual reports of ownership with the SEC and the NYSE. These persons are required by SEC regulations to furnish the Company with copies of all Section 16 forms that they file with the SEC.

Based solely on our review of the copies of such forms received by it with respect to fiscal 2004 or written representations from certain reporting persons, the Company believes that, except as noted below, its directors and executive officers, and persons who beneficially own more than 10% of a registered class of the Company's equity securities, have complied with all filing requirements of Section 16(a) for fiscal 2004 applicable to such persons. Filings on Form 4 for open market common stock purchases by Gerald Essl made on September 29, 2003, March 17, 2004 and March 22, 2004 were not made until June 1, 2004.

CERTAIN TRANSACTIONS

In connection with the Spin-off, the Company entered into certain agreements and consummated certain transactions with Centex. These agreements and transactions include the following:

- The Company, Centex and a subsidiary of Centex entered into a merger agreement which provided, among other things, that the common stock of the Company would be reclassified into Class A Common Stock and Class B Common Stock. This reclassification was consummated on January 30, 2004.
- The Company paid a cash dividend of approximately \$113 million to its stockholders, including Centex. Centex received approximately \$72 million of this dividend. This dividend was paid on January 29, 2004.

Table of Contents

- The Company and Centex entered into a distribution agreement providing for the Spin-off. The Spin-off was consummated on January 30, 2004.
- The Company entered into an administrative services agreement with Centex in connection with the Spin-off. Under the terms of this agreement, Centex Service Company (“CSC”), a subsidiary of Centex, provides the Company with employee benefits administration, legal, public/investor relations and certain other services. This agreement has a term expiring on March 31, 2006, unless earlier terminated at the option of the Company. For the last two months of fiscal year 2004, the payment by the Company to CSC for services rendered under this agreement was \$40,369. Laurence E. Hirsch and Timothy R. Eller, who are present or former directors of the Company, were directors and executive officers of CSC at the time the administrative services agreement was entered into with Centex.

For additional information regarding the foregoing agreements and transactions, we refer you to the Company’s definitive proxy material on Schedule 14A, filed with SEC on December 1, 2003.

Until March 2004, the Company also subleased office space at its corporate headquarters from CSC. The lease payments, which totaled \$241,233 in fiscal year 2004, represent the Company’s pro-rata share of the master lease payments based on the amount of space subleased by the Company.

Certain of the Company’s subsidiaries in the readymix concrete and wallboard businesses, from time to time, sell their respective products directly to a subsidiary of Centex. Although the Company does not track the volume of sales to subsidiaries of Centex, the Company believes that such sales account for less than five percent of its total sales volume.

RELATIONSHIP WITH INDEPENDENT PUBLIC ACCOUNTANTS

Ernst & Young LLP (“Ernst & Young”) audited the Company’s financial statements for the fiscal years ended March 31, 2002, 2003 and 2004.

Ernst & Young reports directly to our audit committee. The audit committee has adopted policies and procedures for pre-approving all audit and permissible non-audit services performed by Ernst & Young. Under these policies, the audit committee pre-approves the use of audit and specific permissible audit-related and non-audit services up to certain dollar limits. Other audit and permissible non-audit services that exceed a \$50,000 threshold must be pre-approved separately by the audit committee, or, for such services that do not exceed \$50,000, by a member of the audit committee. Any such member must report the pre-approval at the next audit committee meeting. In determining whether or not to pre-approve services, the audit committee determines whether the service is a permissible service under the SEC’s rules, and, if permissible, the potential effect of such services on the independence of Ernst & Young.

The following table sets forth the various fees for services provided to the Company by Ernst & Young in the fiscal years ended March 31, 2004 and 2003:

<u>Fiscal Year</u>	<u>Audit Fees ⁽¹⁾</u>	<u>Audit Related Fees ⁽²⁾</u>	<u>Tax Fees</u>	<u>All Other Fees ⁽³⁾</u>	<u>Total</u>
2004	\$357,941	\$72,500	\$8,250	\$20,000	\$458,691
2003	\$168,152	\$60,800	—	\$20,000	\$248,000

(1) Includes fees for the annual audit and quarterly reviews, accounting and financial reporting consultations regarding generally accepted accounting principles.

(2) Includes fees for benefit plan audits.

(3) Consists of fees for the audit of a subsidiary’s compliance with certain pricing provisions of a supply agreement.

AUDIT COMMITTEE REPORT

To the of Directors of Eagle Materials Inc.:

We have reviewed and discussed with management Eagle Materials Inc.'s audited financial statements as of and for the fiscal year ended March 31, 2004.

We have discussed with the independent auditors the matters required to be discussed by Statement on Auditing Standards No. 61, Communication with Audit Committees, as amended by Statement on Auditing Standards No. 90, Audit Committee Communications, by the Auditing Standards Board of the American Institute of Certified Public Accountants.

We have received and reviewed the written disclosures and the letter from the independent auditors required by Independence Standards Board Standard No. 1, Independence Discussions with Audit Committees, as amended, by the Independence Standards Board, and have discussed with the auditors the auditors' independence. We have also considered whether the auditors' provision of non-audit services to Eagle Materials Inc. and its affiliates is compatible with the auditors' independence.

Based on the reviews and discussions referred to above, we recommend to the board of directors that the financial statements referred to above be included in Eagle Materials Inc.'s Annual Report on Form 10-K for the year ended March 31, 2004.

RATIFICATION OF APPOINTMENT OF INDEPENDENT AUDITORS

Ernst & Young acted as our independent auditors to audit our books and records for fiscal year 2004, and the audit committee has appointed Ernst & Young as our independent auditors for fiscal year 2005, subject to ratification by our stockholders.

We believe ratification of this appointment is good corporate practice because the audit of our books and records is a matter of importance to our stockholders. If our stockholders do not ratify the appointment, our audit committee will reconsider whether or not to retain Ernst & Young, but still may elect to retain them. Even if the appointment is ratified, the audit committee, in its discretion, may change the appointment at any time during the year if it determines that such a change would be in our best interests and the best interests of our stockholders.

Representatives of Ernst & Young are expected to be present for the annual meeting, with the opportunity to make a statement if they choose to do so, and will be available to respond to appropriate questions from our stockholders.

Recommendation of the Board

Our board unanimously recommends a vote "for" the ratification of the appointment by our board of directors of Ernst & Young as the Company's auditors for fiscal year ended March 31, 2005.

OTHER MATTERS WHICH MAY BE PRESENTED FOR ACTION AT THE MEETING

Our board of directors does not intend to present for action at this annual meeting any matter other than those specifically set forth in the Notice of Annual Meeting of Stockholders. If any other matter is properly presented for action at the meeting, it is the intention of persons named in the proxy to vote thereon in accordance with their judgment pursuant to the discretionary authority conferred by the proxy.

DEADLINE FOR RECEIPT OF STOCKHOLDER PROPOSALS

Next year's annual meeting of stockholders is scheduled to be held on August 4, 2005. In order to be considered for inclusion in the Company's proxy material for that meeting, stockholder proposals must be received at our executive offices, addressed to the attention of the Secretary, not later than February 28, 2005.

For any proposal that is not submitted for inclusion in our proxy material for the 2005 annual meeting of stockholders but is instead sought to be presented directly at that meeting, Rule 14a-4(c) under the Securities Exchange Act of 1934 permits the Company's management to exercise discretionary voting authority under proxies it solicits unless the Company is notified about the proposal on or before May 6, 2005, and the stockholder satisfies the other requirements of Rule 14a-4(c). Our Bylaws provide that, to be considered at the 2005 annual meeting, a stockholder proposal must be submitted in writing and received by our Secretary at the executive offices of the Company during the period beginning on February 5, 2005 and ending May 6, 2005, and must contain the information specified by and otherwise comply with the Company's bylaws. Any stockholder wishing to receive a copy of the Company's bylaws should direct a written request to our Secretary at the Company's principal executive offices.

FORM 10-K

Stockholders entitled to vote at the meeting may obtain a copy of the Company's Annual Report on Form 10-K for the fiscal year ended March 31, 2004, including the financial statements required to be filed with the SEC, without charge, upon written or verbal request to Eagle Materials Inc., Attention: James H. Graass, Secretary, 3811 Turtle Creek Blvd., Suite 1100, Dallas, Texas 75219, (214) 432-2000.

EAGLE MATERIALS INC.
Amended and Restated
Audit Committee Charter

1. Purpose.

The purpose of the Audit Committee (the “Committee”) of the Board of Directors (the “Board”) of Eagle Materials Inc. (the “Company”) is to assist the Board in fulfilling its responsibility to oversee: (i) the integrity of the Company’s financial statements, (ii) the Company’s compliance with legal and regulatory requirements, (iii) the independent auditor’s qualifications and independence, and (iv) the performance of the Company’s internal audit function and independent auditors.

2. Membership.

The Committee shall consist of at least three persons, all of whom shall be members of the Board. Each member of the Committee shall satisfy the independence requirements set forth in the corporate governance and other listing standards of the New York Stock Exchange (the “NYSE Standards”), the applicable requirements set forth in the Securities Exchange Act of 1934, as amended and the rules adopted by the Securities and Exchange Commission (“SEC”) thereunder, as in effect from time to time.

Each member of the Committee shall be “financially literate” within the meaning of the NYSE Standards, as such term is interpreted by the Board in its business judgment (or shall become “financially literate” within a reasonable period of time after appointment to the Committee). In addition, at least one member of the Committee shall have “accounting or related financial management expertise” within the meaning of the NYSE Standards, as such term is interpreted by the Board in its business judgment. Furthermore, unless the Board determines that it is not necessary for an “audit committee financial expert” to serve on the Committee, at least one member of the Committee shall be an “audit committee financial expert” as defined by the SEC.

Unless otherwise determined by the Board, no member of the Committee shall serve as a member of the audit committee of more than two public companies other than the Company.

The Board shall elect the members of the Committee at the Board meeting (“Annual Board Meeting”) that is held immediately after the annual meeting of the stockholders of the Company, after considering the recommendations of the Corporate Governance and Nominating Committee of the Board, and each Committee member shall serve until the date of the next Annual Board Meeting, unless he or she resigns, is removed or replaced or otherwise ceases to be a director or a member of the Committee prior to such date, in which event the Board shall appoint another director of the Company to fill the resulting vacancy for his or her unexpired term. Furthermore, if for any reason the Board does not elect the members to the Committee at an Annual Board Meeting, the directors who then comprise the Committee will continue to serve as members of the Committee until the Board takes action to elect new members of the Committee. The Board may remove or replace a member of the Committee at any time.

3. Operation.

The Board shall elect one member of the Committee to act as chairperson of the Committee (the “Chairperson”). Such member shall act as Chairperson until the next Annual Board Meeting unless he or she resigns, is removed or replaced or otherwise ceases to be a director or a member of the Committee prior to such date, in which event the Board shall appoint another member of the Committee to serve as Chairperson for his or her unexpired term. The Chairperson shall preside over all meetings of the Committee. The Board may remove or replace the Chairperson at any time.

A majority of the members shall constitute a quorum, unless the Committee is comprised of an equal number of members, in which case one-half of the members of the Committee shall constitute a quorum. The Committee shall act only on the affirmative vote of a majority of the members at a meeting at which a quorum is present (which may be in person or by telephone) or by unanimous consent.

The Committee shall meet at least four times annually. The Committee may invite such persons in addition to the members of the Committee that it deems appropriate to attend all or part of any meetings. The Committee shall maintain minutes of its meetings and written records of its actions. The Committee shall be authorized to meet, as frequently as it determines is necessary or appropriate, with the Company’s director of internal audit, the Company’s Chief Financial

Officer and the Company's independent auditors in separate executive sessions to discuss any matters that the Chairperson or any other member of the Committee believes should be discussed privately.

To the extent permitted by the NYSE Standards and applicable legal requirements, the Committee may delegate specified duties and responsibilities to a subcommittee created by a vote of a majority of the members of the Committee. Each subcommittee shall have one or more members designated by the Committee, and shall be governed by such procedures as the Committee shall determine from time to time.

The Committee may establish such rules as it determines to be necessary or appropriate to conduct its business, so long as such rules do not contravene the express provisions of this Charter.

4. Duties and Responsibilities.

To fulfill its purposes as described above, the Committee shall have the following duties and responsibilities:

a. **Independent Accountants.** The Committee has the authority and direct responsibility for the selection, appointment, compensation, evaluation, retention and oversight of the work of any independent auditors engaged (including resolution of any disagreements between management and the auditors regarding financial reporting) for the purpose of preparing or issuing an audit report or related work or performing other audit, review or attestation services for the Company, and such independent auditors shall report directly to the Committee. Without limiting the foregoing, the Committee's duties and responsibilities shall include:

(i) select, appoint, evaluate, retain, terminate and replace the Company's independent auditors;

(ii) obtain and review, at least annually, a report by the Company's independent auditors describing: (i) the independent auditor's internal quality-control procedures; and (ii) any material issues raised by the most recent internal quality-control review, or peer review, of the independent auditor, or by any inquiry or investigation by governmental or professional authorities, within the preceding five years, respecting one or more independent audits carried out by the independent auditor, and any steps taken to deal with any such issues;

(iii) obtain and review, on a periodic basis, a formal written statement from the independent auditors to the Committee describing all relationships between the auditors and the Company and actively engage in a dialogue with the auditors with respect to any disclosed relationships or services that may impact the objectivity and independence of the auditors and recommend that the Board take appropriate action in response to the reports from the auditors to satisfy itself of the auditors' independence;

(iv) review any report made by the Company's independent auditors regarding any critical accounting policies, potential alternative accounting treatments and material written communications between the independent auditors and management;

(v) review with the Company's independent auditors any audit problems or difficulties and management's response;

(vi) resolve any disagreements between management and Company's independent auditors regarding financial reporting; and

(vii) pre-approve all audit engagement fees and terms and pre-approve all non-audit services provided to the Company by its independent auditors in accordance with the Committee's policies and procedures for pre-approving audit and non-audit services.

b. **Complaints.** The Committee shall establish procedures for (i) the receipt, retention and treatment of complaints received by the Company regarding accounting, internal accounting controls or auditing matters and (ii) the confidential, anonymous submission by employees of the Company of concerns regarding questionable accounting or auditing matters.

c. **Other Responsibilities.** The Committee's duties and responsibilities shall also include:

(i) discuss the annual audited financial statements and quarterly financial statements of the Company and other significant financial disclosures with management and the independent auditors of the Company, including the Company's disclosures under "Management's Discussion and Analysis of Financial Condition and Results of Operations" and any other matters required to be reviewed under applicable legal, regulatory or NYSE requirements;

(ii) discuss with management the types of information to be disclosed and the types of presentations to be made in the Company's earnings press releases, as well as in any financial information and earnings guidance provided to analysts and rating agencies;

(iii) as appropriate, obtain advice and seek assistance from outside legal, accounting or other advisors;

(iv) review management's internal control report and the independent auditor's attestation related thereto;

(v) discuss policies with respect to risk assessment and risk management including the guidelines and policies which govern the process by which risk assessment and risk management is undertaken;

(vi) meet separately, periodically, with management, with internal auditors (or other personnel responsible for the internal audit function) and with independent auditors;

(vii) prepare the report that is required to be included in the Company's annual proxy statement in accordance with the rules of the SEC with respect to the Company's audited financial statements;

(viii) set clear policies for the Company's hiring of employees or former employees of the independent auditors;

(ix) report regularly to the Board on the Committee's activities.

d. **Certain Limitations.** It is the responsibility of the Company's management to prepare the Company's consolidated financial statements. The Company's independent auditors are responsible for auditing those financial statements. The Committee's responsibility in this regard is one of oversight and review. The Committee does not provide any expert or other special assurance as to such financial statements. Consequently, in carrying out its oversight responsibilities, the Committee is not providing any expert or special assurance as to the Corporation's financial statements, or any professional certification as to the independent auditors' work, including with respect to auditor independence. In addition, it is not the responsibility of the Committee to assure compliance with applicable laws or regulations or the Company's policies and procedures. Each member of the Committee shall be entitled to rely on the integrity of people and organizations from whom the Committee receives information and the accuracy of such information, including representations by management and the independent auditors regarding non-audit services provided by the independent auditors.

5. Engagement of Advisers; Funding.

The Committee shall have the authority to engage independent counsel and other advisers, as it determines to be necessary to carry out its duties. The Committee shall have the authority to approve and authorize the payment by the Company of appropriate compensation (i) to any independent auditors engaged for the purpose of rendering or issuing an audit report or related work or performing other audit, review or attestation services for the Company and (ii) any counsel or other advisers employed by the Committee as provided above.

6. Annual Performance Evaluation of the Committee.

The Committee will annually complete a self-evaluation and will provide a report of that assessment to the Board including any recommended changes to the Committee's charter.
