**Item 5.02. Departure of Directors or Certain Officers; Election of Directors; Appointment of Certain Officers; Compensatory Arrangements of Certain Officers**

Information responsive to Item 5.02(e):

Effective May 18, 2017, the Compensation Committee of the Board of Directors of Eagle Materials Inc. (“Eagle”), as part of its annual compensation review, approved long-term incentive equity awards under the Eagle Materials Inc. Amended and Restated Incentive Plan (“Incentive Plan”) to a group of the Company’s officers, including its named executive officers. The awards are comprised of performance vesting stock options, performance vesting restricted stock, time vesting stock options and time vesting restricted stock. Each of the Company’s current named executive officers was granted stock options and/or restricted stock as a part of this award.

In order for the performance vesting stock options and restricted stock to be earned, the Company must achieve a performance vesting criterion based on the Company’s average return on equity measured at the end of fiscal 2018. One-fourth of any earned stock options and restricted stock will vest immediately and one-fourth on each of the next three fiscal year-ends (assuming continued service by the relevant officer). Any stock options or restricted stock that are not earned at the end of fiscal 2018 upon the determination of the achievement of the performance vesting criterion will be forfeited. The terms and conditions of the performance vesting stock options and restricted stock will be substantially the same as awards made in fiscal 2017. As in the case of prior equity awards, the stock options and restricted stock will also vest upon a change in control of the Company.

The time vesting stock options and restricted stock will vest ratably over the four fiscal year-ends following the date of grant (assuming continued service by the relevant officer). The terms and conditions of the stock options and restricted stock will be substantially the same as previous time vesting equity awards. As in the case of prior equity awards, the time vesting stock options and restricted stock will also vest upon a change in control of the Company.

In accordance with the terms of the Company’s Incentive Plan, the exercise price of the stock options (whether time vesting or performance vesting) is the closing price of the Company’s Common Stock on the date of grant, May 18, 2017 (\$100.88). The following table shows the stock options and restricted stock granted to each of the Company’s named executive officers effective May 18, 2017:

<u>Name</u>	<u>Number of Performance Vesting Stock Options</u>	<u>Shares of Performance Vesting Restricted Stock</u>	<u>Number of Time Vesting Stock Options</u>	<u>Shares of Time Vesting Restricted Stock</u>
