Item 1.04 Mine Safety – Reporting of Shutdown and Patterns of Violations

Nevada Cement Company, a subsidiary of Eagle Materials Inc., received an order at its cement plant located in Fernley, Nevada on February 7, 2017 issued by the Mine Safety and Health Administration under section 107(a) of the Federal Mine Safety and Health Act of 1977. The order stated that a mine worker was observed working on the edge of a pit with fall protection equipment that was being used improperly. No one was injured in the cited incident, and the practice immediately ceased. This order was terminated the same day.
